

365 DAILY TWEETS

365 TWEETS.COM

Thank you for purchasing a 365 Tweets Product.

What is Included:

365PackageTweets.txt.

This file has all of the tips laid out as one tweet per line and can be copied and pasted as you see fit. You can copy them into your Twitter Web or any other Tweet Software.

MMSuiteFormat.txt

This file is formatted for mass importing tweets in a program called [Market Me Suite](#). With this tweeting application you can mass import among many other features. [Market Me Suite](#) is a paid application.

365PackageTWEETS.xls

This excel file is formatted so every time it is opened it will change the first line to the current date. The format is also for use in the [Market Me Suite](#) application. You can also change the time (in the 24 hour clock format) as well as the dates as you see fit in this excel spreadsheet.

PERSONAL USE RIGHTS

Everything contained in these files/folders is for use on your personal computer only. No reselling, Rebranding, or Giving away of this product.

THANKS AGAIN, [BRAD GOSSE](#)
